Janab Abul Mohasin Mohammad Sajjad a worthy son of Bihar a well known family and recognized statesman of the country who was a great freedom fighter in the company of well as thought this unique organization during the politically turbulent years of 1921. His goal was to impart education discipline and improve economy in the muslim society by this organization in organized way with their own teachers munsifs advisors spreading over the every corner in Bihar orissa and jharkhand for the peace loving society based on social justice. After the death of Janab Abul Mohasin, Janab Md. Sajjad Saheb the fourth Ameer Shariyat take place of this organization, Janab Maulana Minnatullah Rahmani sb. who was a great scholar like predecessor and he was a visionary too. He had ability to accept the challenges of modern industrial and technical world.

After the death of 4th Ameer Shariyat Janab Maulana Abdul Rahman Sb. take place and with the help of Janab Quazi Mujahidul Islam Qasmi made a trust that is Imarat shariah educational and welfare trust in order to make all sorts of effort to dream of Maulana Minnatullah Rahmani sb. The next Ameer Shariyat was syed Nizamuddin sb. he was also Visionary and continued with thoughts of previous Ameer Shariyat.

At present Mufakira Islam Hazrat Maulana Syed Wali Rahmani Damat Barkatahu. take place after the death of Janab Maulana Syed Nizamuddin Sb. who wants to upgrade and improve the education in every field.

Imarat Shariah educational & welfare trust started in the year 1992 and recognised by the Govt of Bihar Act, bearing Registration No 1952/93, Since then, it has been carrying on the task of transforming our youth into men of bright future removing ignorants with enlightened once to shoulder of the social responsibility providing cure sufferers preferably to the poor mass in the shadow of these thoughts, He started a para medical institute, Maulana Sajjad Memorial Hospital and I.T.I. Institute which are running in their own building. In para medical we are having degree and diploma courses.

Diploma is recognised by Govt. of Bihar and degree is affiliated by Arya Bhatta Knowledge University from 2019. Previously degree was from Magadh University Bodh Gaya in physio therapy BPT and BMLT Bachelor of Medical Lab Technology, Now it is under the Arya Bhatta Knowledge University yet the trust has move plans to improve the quality as the changes needs day by day.

Mr. imteyaz Ahmad (Office Incharge) and Mr. Naushad (Office Assistant)
busy with official work.

AIMS & OBJECTIVES OF THE INSTITUTION

- To establish international level infrastructure and create facilities conducive for Academic environment.
- To Recruit well Qualified, experienced and dedicated faculty.
- To Produce Technical manpower which is professionally strong with ethical values.
- Encourage faculty for quality enhancement including their academic and professional advancement.
- Facilitate Academic, Sponsored Research including Consultancy work.
- Uplift the social environment around the campus by conducting Vocational Courses for the needy students on no profit & no loss basis.

VISION

'TO MAKE EVERY MAN A SUCCESS AND NO MAN A FAILURE'

MISSION

To provide every student with a conducive environment for attaining his/her career goals with a strong emphasis on personality development and offer all required resources to gain quality education without compromising on quality and code of ethics.

OBJECTIVES

- To train our students adopting the latest Teaching-Learning methodologies in line with the rapid technology advancement.
- To equip the students with adequate employability skills and knowledge, inter personal skills and global outlook to gain meaningful employment on completion of their studies.
- To mould students as worthy citizens with moral & ethical values with strong society commitment to fulfill their obligations to the society and nation at large.
- To promote latest skill attainment with sound practical exposure in the chosen field of Medical & Science.

The major mission goals envisaged are

- To promote inclusive education with access, equity and quality as its focal points.
- Offer world-class Medical programmes in various discipline of Medical & Science Interdisciplinary Courses and Value Addition Programmes.

MESSAGE FROM CHAIRMAN

Dr. A.A. Hai

I consider it an honor to be associated with the Maulana Minnatullah Rahmani Technical Institute, Phulwarisharif, Patna, since its inception in 1993. It will be relevant at this stage to remember and pay our tribute to the founding fathers of this institution particularly Maulana Syed Nizamuddin (who was then the Nazim of Imarat-e-Shariah,) Qazi Mojahidul Islam and the then Ameer-e-shariat Maulana Minnatullah Rahmani.

It was a pleasure to work with them and the institute was finally established due to their sweat and labour.

We got temporary affiliation for starting diploma courses in medical lab technician from the department of Health Government of Bihar in 1993 and this continued till 2006, after which we were granted permanent affiliation. The Physiotherapy (DPT) courses was started in 2006 and it continuing till date. It will be improper if I do not mention the valuable advice and services rendered at this stage by Dr. (Prof.) A.K. Gupta, Dr. N. K. Sahu & Mr. A Mateen and others. Seeing the usefulness and utility of these services we decided to start bachelor courses in these two specialties under the Magadh University from 2013 and are now in the process of getting our affiliation shifted to the ARYA BHATTA KNOWLEDGE UNIVERSITY from the session 2019.

Since its inception more than one thousand boys and girls have passed through the corridors of this institution with DMLT, DPT, BMLT & BPT degrees and are well placed in medical institutions all over the country and also abroad. Bridge courses from diploma candidates are also now available. Our results over the years have been the best in the entire university. Presently we have nearly 300 students studying in our institutions and Insha Allah this number will grow in the coming years with addition of newer facilities.

The present team consisting of Maulana Md. Shibli Qasmi, Maulana Sohail Ahmad Nadwi, Dr. S. N. Ahmad, Dr. S. M. K. Waris, Mr. S. Nesar Ahmad along with the permanent and part time faculty are doing a great job and Insha Allah we hope to take the M.M. R. T. Institute to greater heights in the days to come.

بسم اللہ الرحمن الرحیم حرفِ چند

کسی بھی ملک یا قوم کی ترقی میں بنیادی حصہ تعلیمی اداروں کا ہوتا ہے! اسی لیے تعلیمی اداروں کو ترقی کی شاہ کلید کہا جاتا ہے، تعلیمی اداروں کی اسی اہمیت کے پیش نظر امارت شریعہ بہار، ایڈیٹر و ہمارے بھائی شریف پٹیل جو ملک کی ایک منفرد اور مثالی ملی تنظیم ہے اس کے ذمہ داروں نے شروع ہی سے اس پہلو پر خصوصی توجہ دی اور اپنی تعلیمی اداروں کے قیام کے ساتھ متعدد معیاری تکنیکی اور پروفیشنل تعلیمی ادارے امارت شریعہ کے زیر انتظام قائم کیے، جن اداروں سے تعلیم و تربیت پانے والے طلبہ آج ملک اور بیرون ملک میں باعزت روزگار کے ذریعہ خوشحال کی زندگی گزار رہے ہیں۔

امارت شریعہ کے ان اداروں میں ایک نمایاں مقام مولانا منت اللہ رحمانی پارامیڈیکل انسٹی ٹیوٹ بھلوار شریف پٹیل کا ہے، یہ ادارہ پارامیڈیکل کی تعلیم و تربیت میں ایک خصوصی پہچان رکھتا ہے، ماہر اساتذہ کی تربیت و نگرانی، جدید آلات سے بھرپور لیبارٹریز اور پریکٹیکل کے وافر مواقع، اس ادارہ کی امتیازی خصوصیات ہیں، یہی وجہ ہے کہ ادارہ کے طلبہ یونیورسٹی میں نمایاں نمبرات سے کامیاب ہوتے ہیں اور ملازمت کی تلاش یا اپنے طور پر کام کے آغاز میں انہیں کوئی دشواری نہیں ہوتی، اس ادارہ سے فارغ طلبہ کی بڑی تعداد ملک اور بیرون ملک کے اہم و قابل قدر خدمات کی وجہ سے باحیثیت مقام پر فائز ہے۔

امارت شریعہ کے موجودہ امیر شریعت مقرر اسلام حضرت مولانا محمد ولی رحمانی صاحب مدظلہ کی امارت و قیادت میں دیگر تعلیمی اداروں کی طرح یہ ادارہ بھی ترقی کی راہ پر رواں دواں ہے، اس وقت اس ادارہ میں میڈیکل لیبارٹریز، ٹیکنالوجی اور فیزیوتھراپی میں ڈگری اور ڈپلومہ کورسز کی تعلیم ہوتی ہے، کوشش ہے کہ جلد از جلد ماسٹر کورس بھی شروع کیا جائے۔

جدید و اعلیٰ کے خواہشمند امیدواروں کو داخلہ کے سلسلہ میں گائیڈ بک اور پروفیکٹس کی ضرورت محسوس ہوتی ہے تاکہ انہیں کورس کے انتخاب اور داخلہ کے کام میں رہنمائی ملے۔

ہمیں خوشی ہے کہ اس ادارہ کی طرف سے ڈی ایم ایل ٹی، بی ایم ایل ٹی، ڈی بی ٹی اور بی بی ٹی کورسز کے لیے ہر پہلو کا احاطہ کرتے ہوئے نیا پروفیکٹس ضعیع ہو رہا ہے، امید ہے کہ اس جامع پروفیکٹس سے طلبہ عزیز کو داخلہ میں آسانی ہوگی اور ضروری رہنمائی بھی ملے گی۔

..... ختم

سمیل احمد مدنی

امارت شریعہ ایجوکیشنل اینڈ ویلفیئر ٹرسٹ بھلوار شریف پٹیل

پیش لفظ

مذہب اسلام میں تعلیم کا تصور نہایت ہی جامع اور ہمہ گیر ہے، اسلام ہر اس تعلیم کے حصول کی حوصلہ افزائی کرتا ہے جو انسانیت کے لئے نفع بخش ہو، چنانچہ تعلیم کے اسی جامع تصور کو سامنے رکھتے ہوئے امارت شرعیہ عظیم دینی، ملی و علاقائی تنظیم کے تحت نہ صرف دینی مدارس و مکاتب قائم ہوئے بلکہ متعدد معیاری اسکولس اور کالجیں و پروفیشنل تعلیمی ادارے بھی قائم کئے گئے تاکہ ان اداروں سے تعلیم و تربیت پانے والے طلبہ مختلف جگہوں سے ملک و ملت کی تعمیر و ترقی میں حصہ لے سکیں اور خود اپنی زندگی کو بھی خوشحال اور خوشگوار بنا سکیں، چنانچہ اس وقت ملت کے نو نہالوں کی بڑی تعداد ایسی ہے جنہوں نے امارت شرعیہ کے ان اداروں سے تعلیم و تربیت پائی، اور آج ملک و بیرون ملک میں اپنی صلاحیتوں سے ملک و ملت کو فائدہ بھی پہنچا رہے ہیں اور اپنے باوقار و زگار کے ذریعہ خوشحال کی زندگی گزار رہے ہیں۔

امارت شرعیہ کے موجودہ امیر شریعت مقرر اسلام حضرت مولانا سید محمد ولی رحمہ اللہ صاحب مدظلہ، جن کو اللہ نے بے مثال تعلیمی سوچ، اصول اقتدائی صلاحیت، اور مختلف جہتوں سے ملت کے نو نہالوں کو تعلیم کی بلند یوں تک پہنچانے کا عملی نمونہ بنا دیا ہے، اس وقت آپ کی عنایت و توجہ سے نہ صرف امارت شرعیہ کے نئے تعلیمی اداروں میں اضافہ ہوا ہے بلکہ جملہ تعلیمی اداروں کی تعلیم و تربیت کے نظام کو مثالی و معیاری جہت بھی حاصل ہوئی ہے، حضرت والا کی اسی فکر مندی کا نتیجہ میں امارت شرعیہ کے ادارہ ”مولانا منت اللہ رحمہ اللہ جانی پارامیڈیکل انسٹی ٹیوٹ پھلواری شریف پنڈ“ نے بھی بڑی مقبولیت حاصل کی ہے، اس وقت اس ادارہ میں ڈی ایم ایل ٹی، بی ایم ایل ٹی، ڈی بی ٹی، اور بی بی ٹی، کے کورسز چل رہے ہیں، جب کہ ماسٹر کورس شروع کرنے کی کارروائی جاری ہے، ادارہ کی حسن کارکردگی کی وجہ سے داخلہ کے لئے طلبہ کا اڑدھام ہوا کرتا ہے، داخلہ کے خواہش مند طلبہ کو داخلہ کے وقت کچھ ضروری اور بنیادی معلومات کی ضرورت ہوتی ہے، جس کی عدم دستیابی کی صورت میں انہیں پریشانی کا سامنا کرنا پڑتا ہے۔

ہمیں خوشی ہے کہ اس وقت اس ادارہ کی طرف سے تمام کورسز کے لئے ایک جامع گائڈ بک و پروسپیکٹس شائع ہو رہا ہے، تاکہ داخلہ کے امیدوار طلبہ کو داخلہ میں آسانی ہو۔ امید ہے کہ اس پروسپیکٹس سے طلبہ کو پورا فائدہ پہونچے گا، دعا ہے کہ اللہ اس ادارہ کو ہر اعتبار سے ترقی کی راہ پر گامزن رکھے اور اس سے مسلک حضرات کو بہت دوحصلہ کے ساتھ ادارہ کو آگے بڑھانے کی توفیق بخشنے۔

محمد شبلی القاسمی

MESSAGE FROM ADMINISTRATOR

I welcome all of you to "**Maulana Minnatullah Rahmani Technical Institute**" and earnestly wish success to each one of you. And though I would sincerely hope that all of you make it to your goals that you've set your minds upon, what I mean by 'success' is something all together different. For me, success simply means being able to perform to your potential.

Over the years, it has been my experience that the memories which troubles us most are not those that have the words '**if only I had done that.**' embedded in them. So my only advice to all of you is this; be it becoming a Teacher or any other endeavor in life, make sure that these words never find a port of entry into the picture. Spare no effort, work hard and live up to your potential. Whatever follows will always be for the best. "**The work is worship in all places.**"

Message from HOD
(Dr. S.M. Kamal Waris)

Dear students, I am pleased & glad to say some words to you. At present you have entered in the technical institute to make your life good, better & best.

some students who is intelligent & laborious they can go very high, they comes in the best. Someone who is intelligent they can be better & the students who labour hard they become good. Now it is upto you how much you can do labour for your best performance. In the institute we the teachers want to do hard labour with honesty to make you best member of medical science. Now it is upto you that how much knowledge you can gether from your experience teachers and do the best in your life.

The following documents shall be required to submit at the time of admission

1. Original Certificates of Matriculation.
2. Original Marks Sheet of I.Sc.
3. Migration Original
4. 4 recent photograph
5. Photo copy of Aadhar Card
6. Original/Provisional Certificate of I.Sc.
7. Original C.L.C / Transfer Certificate
8. Two Set of Xerox Copy all Documents.

The following amount should pay at the time of admission in different courses:-

- | | |
|----------------------|----------|
| 1. B.P.T | 40,000/- |
| 2. B.M.L.T | 40,000/- |
| 3. D.M.L.T | 25,000/- |
| 4. D.P.T | 20,000/- |
| 5. DMRT (Radiology) | 20,000/- |

Eligibility for the Admission

Those Students who wants to get admission in these course they must passed 10+2 or I.Sc. with Bio & English.

Admission on the Basis of Common Entrance Test.

Age 17th to 32th Years

BACHELOR OF PHYSIOTHERAPY

Objectives & Prospects:-

It is a complete educational and training programme to prepare graduate Physiotherapists who independently can undertake and execute effectively diagnostic and therapeutic management of physical and mental disorders such as cases of Polio, Paralysis, Paraplegia, Hemiplegia and other physical disabilities.

Physiotherapy is a branch of Medicine and third phase of medical care. It can be defined as a science which deals with the methods of treatment through physical agents and other modalities such as; Heat therapy, Hydrotherapy, Shortwave, Microwave, Ultrasonic, Electrical-stimulators, Electrical massagers, Paraffinwax, Infra-red rays, Ultraviolet units, Laser Therapy and Traction etc, on the basis of the knowledge of Human Anatomy and Physiology.

This course is to produce qualified specialists in the field of Physical Medicine & Rehabilitation to teach, treat and rehabilitate neurological and orthopaedic disorders of varying degrees and nature and also persons permanently disabled by accident and various crippling diseases.

It is estimated that about Twenty Millions of the population are neurologically and physically handicapped in the country. But there are a few qualified physiotherapists available. According to report, ratio of therapists and handicapped is 1 : 7500 whereas the standard ratio of world federation is 1:10. This is indicative of the acute need of the qualified physiotherapists and the wide prospect of the profession and the related courses.

The Government is fast expanding Rehabilitation services in the rural areas. One post of Physiotherapist in every district hospital sub-divisional hospitals and at block hospitals already been created.

BACHELOR OF MEDICAL LAB. TECHNOLOGY

Objectives & Prospects

Medical Laboratory Technology is a true link between physician & patient and thus shoulders an important responsibility of any health care team. It is a science which enjoys an immense diagnostic importance. Complete and qualified knowledge of this science is indispensable for correct diagnosis of diseases which frequently occur in human beings at various stages through out his /her life.

The above course intends to produce experts with advance knowledge in the field of Medical Laboratory Technology who will do routine examinations of common pathological specimen like routine examination of stool, urine and other practical aspects of physiology like Haematology, Serology Bio - chemistry and Histopathology etc. Besides the investigation of diseases, it has a vital role to play in the technology of food chemistry and water analysis too which are two important constituents of life sustenance. The importance of getting pure water & food and the technology employed to prove the fitness of food & water for consumption is integral to the maintenance of a sound health in all human beings.

DIPLOMA IN MEDICAL LAB. TECHNOLOGY

Objectives & Prospects :

Medical Laboratory Technology is a true link between physician & patient and thus shoulders an important responsibility of any health care team. It is a science which enjoys an immense diagnostic importance. Complete and qualified knowledge of this science is indispensable for correct diagnosis of diseases which frequently occur in human beings at various stages throughout his/her life.

The above course intends to produce experts in the field of Medical Laboratory Technology who will do routine examinations of common pathological specimen like routine examination of stool, urine and other practical aspects of physiology like Haematology. Serology. Bio - chemistry and Histopathology etc. Besides the investigation of diseases, it has a vital role to play in the technology of food chemistry and water analysis too which are two important constituents of life sustenance. The importance of getting pure water & food and the technology employed to prove the fitness of food & water for consumption is integral to the maintenance of a sound health in all human beings.

Mr. Minhaj Ali demonstrating in lab. (Haematology)

X-ray Technology

Objectives & Prospects:

The X-RAY Technology has a place of crucial importance in the diagnosis of various diseases. No hospital and **nursing** homes etc. can be managed without X-RAY and other diagnostic equipments today. To handle these equipments a team of experts like Radiologist, Physicists, Radiographers and Dark Room Assistants is necessarily required. Our medical X-ray technology course intends to meet the growing demand for qualified trained and skilled.

Radiographers required by various organisations associated with the health sector, such as medical institutions, hospitals and nursing homes, clinics etc. Even a trained radiographer can manage his own X-ray clinic in private sector under the supervision of a radiologist. There is shortage of properly trained and skilled radiographers in the state as well as at national level. The course provides a wide scope for employment opportunities in India and overseas as well.

A patient on the X-Ray table

The fee Structure of the different courses.

Sl.No.	Course Name	Duration	Fees
1.	B.P.T.	4½ years	200,000/-
2.	BMLT	4½ years	180,000/-
3.	Lateral entry BPT	3 years	150,000/-
4.	Lateral entry BMLT	3 years	120,000/-
5.	DPT	3 years	65,000/-
6.	DMLT	2 years	70,000/-
7.	X-ray technician	2 years	60,000/-

The diploma passed students can be admitted in 2nd year bachelor degree course in both faculty by lateral entry.

For the Lateral entry diploma passed students can apply for the admission.
